

## **Minutes of the Transportation Advisory Committee Meeting November 20, 2014**

The meeting was called to order at 7:46 PM.

Attending Committee Members were: Soraya Stevens, AnnaLisa Madison, Shawn Hanegan, and Dan Silverman

- Reviewed meeting minutes and amended minutes. Minutes accepted unanimously.

### **Sidewalk list**

- BAC is providing feedback to Toole regarding prioritizing locations for improvements for cyclists. They indicated Healthy Bedford would be doing the same for sidewalks/pedestrians. Who is doing that and how does it reconcile with the spreadsheet that we have?
- Discussion about Renzo's. We need to get an update from Margot on the Renzo's review. Should we send a request some feedback from Selectmen and DPW?
- Dan and Soraya would like to see more of South Road sidewalks getting bumped up on the list, particularly if roads like Page cannot easily accommodate sidewalk.

### **Traffic Calming Discussion**

- Defining a traffic issue for residents
- Provide a mechanism for addressing the issue
- We need to involve major stakeholders in traffic calming decisions, namely residents, police and DPW

### **Selectmen's Update**

- Toole would like feedback on the map

### **Planning Board Update**

- Industrial zoning policy changes for the industrial-mixed use properties
- Greenbelt revision – it has very strict guidelines, so the revision gives more leeway to the board
- They will look at cottage housing zoning

Meeting adjourned 8:52pm

Respectfully Submitted,

Soraya Stevens
